

Paignton Junior Sailing Club Course registration 2010

This year's junior sailing courses for youngsters between 9 and 17 years will be run over 5 consecutive Friday nights, 6-9pm, starting on Friday 4th June and finishing on Friday 2nd July. There will also be a barbeque and presentation of qualifications on Friday 9th July after the first supervised sailing session. More details will be given out during the course.

This year we will be running three parallel courses during these evenings for beginner and improver sailors. More experienced sailors will be catered for on Saturday mornings starting from 17 April. We are running a Single-hander training squad this year for those who wish to improve their sailing skills and racing techniques. To help us with organising the groups, please would you provide us with details of your child's past sailing experience, even if he/she has sailed at Paignton in previous years.

These courses are always oversubscribed. Places will be allocated on a first come basis. However our existing junior members and those who completed courses last year will be offered places before the course is opened up to non-club members. Please return the attached form as soon as possible to avoid disappointment. Non-members will be sent request forms at the end of February.

The cost of the junior course will be £60.00 for club members and £87.00 for non-members (this includes annual junior membership). This year the fee also includes 4 weeks junior sailing either before or after the training course.

Please complete and return request form by email (ideally) to dyer@rsbth.eclipse.co.uk or by post to

Rob Dyer, Chairman PJSC
Vine Cottage, Fore Street, Ipplepen, Newton Abbot. TQ12 5RH

Any queries regarding the courses please contact me on 01803 814027 or e-mail.

We hope to arrange most communication by email this year so please include best email address.

There will be a meeting for all juniors and parents on Friday 26th March at 7pm in the clubhouse. We will explain more about the courses and can answer your questions. We will also be looking for volunteers to help with lots of activities.
